Subject: Invitation to the Innovation Match MX Congress

INNOVATION MATCH A.C. extends an attentive invitation to the National and International, Academic and Scientific community from Public and Private Universities, Research Centers, Business Sector, different levels of Governments, Non-Governmental Organizations, Civil Society Organizations and the General Public interested in Technological Innovation, the capacity and expertise of the Mexican Talent globally to participate in the First International Forum of Mexican Talent: "Innovation Match MX" (IMMX) that will be held on the **6<sup>th</sup>, 7<sup>th</sup> and 8<sup>th</sup> of April of 2016** in the **Expo Guadalajara** in Guadalajara, Jalisco.

Among the organizers of this forum, the valuable support of the Senate of the Republic and the Network of Mexican Talents are distinguished, as well as the various agencies and organizations such as: the Secretariat of Economy, Centro Kappa de Conocimiento S.C. and the National Network of state Councils and Agencies of Science and Technology (REDNACECYT).

One of the main objectives of this forum is that researchers and postgraduate students worldwide, present and expose their work in the scientific, technological and creative industries areas, for purposes of linking with mexican companies interested on promoting the generation of new business opportunities in the national productive sector, propitiate opportunities for labor incorporation, stimulate the creation of new technology-based companies, arrange research projects linked to mexican companies and prestigious institutions around the world and formulate public policy proposals.

Furthermore, Innovation Match Mx announces a new objective for the forum: the constitution of an **Initial Support Fund** for projects that emerge from the links made in IMMX, which means that investigators and companies linked during the Match Process will be able to participate with their proposals to be candidates to receive the support of the constituted fund.
